

**RESOURCE**  
WORK CO-OPERATIVE SOCIETY LIMITED

## Guidelines for School Groups Visiting the Resource Tip Shop at the McRobies Gully Waste Management Centre, South Hobart

Resource Work Cooperative would like to emphasise that safety for staff, customers, visitors and other stakeholders at the Resource Tip Shop at South Hobart is of paramount importance. The Tip Shop site includes buildings and yards, pathways and driveways that are in constant use during operation hours by staff, customers, visitors and other stakeholders. Vehicles regularly operate within the Tip Shop driveway and car park, and also throughout the Waste Management Centre (WMC) operated by Hobart City Council (HCC).

If you would like to visit the Resource Tip Shop please ring the Education Officer, Andy Vagg on 0409 595 795 to book in a time. For the safety reasons outlined above **BOOKINGS ARE ESSENTIAL**.

The Education Officer is available on Wednesdays to speak to your group, but only if you have made a booking. There is no charge to school groups to visit the site. If you would like to see the entire operations of the WMC, including the Tip Shop, then you can book through the HCC on 6238 2106.

- When arriving at the Tip Shop please wait for a Resource worker to meet you and introduce you to the site and safety issues.
- **It is of utmost importance that you are aware that teachers and helpers are responsible for the supervision of ALL students at ALL times while visiting the Tip Shop site or anywhere else within the WMC.**
- Supervision is not the responsibility of Resource workers, the Education Officer, or HCC staff.
- All visitors need to be aware of vehicles operating within the Tip Shop and the WMC, including large trucks.
- All guidelines and restrictions signposted throughout the Tip Shop and WMC facilities are to be strictly adhered to.
- All visitors are required to wear fully enclosed shoes. No running or games are permitted.

Thank you for your cooperation and we hope you enjoy your visit  
to the Resource Tip Shop.
